

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event structure. The Blue Chip Showcase, one of the nation's top college recruiting events, begins on Friday and will require the participating student/athletes to miss that day from school. Some students may be required to travel on Thursday and will need to miss that day as well.

Players participating in our showcase are exposed to one of the largest concentration of college coaches in the Midwest. Attracting over 250 college coaches last year, many of the players competing in our showcase, expand their college options by participating in our showcase.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student/athletes from school on Thursday and Friday of the Blue Chip Showcase. Below are the dates for the Women's and Men's Blue Chip Showcase events:

Women's Blue Chip Showcase – April 13-15, 2018

Men's Blue Chip Showcase – April 20-22, 2018
