

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event structure. The Gateway Showcase begins on Friday and will require the participating student/athletes to miss that day from school.

Players participating in our showcase are exposed to a large concentration of college coaches in the Midwest. Attracting over 100 college coaches last year, many of the players competing in our showcase, expand their college options by participating in our showcase.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you will understand and excuse the absence of student/athletes from school on Friday of the Gateway Showcase. Below are the dates for the Men's and Women's Gateway Showcase events:

Women's Gateway Showcase – Nov. 13-15, 2020

Men's Gateway Showcase – Nov. 20-22, 2020
