- If you are the first game at the field, help set up as needed
- After the match, collect the match report from the referee and make sure it is correct before leaving
- If you are the last game of the day, help clean up as needed
- Upload the match report to TGS with game score

Game Day Checklist (Away games)

- Make sure roster is updated and all players/staff are rostered
- Bring referee fees and give to referee or coach
- Bring physical cards with you (likely will not be asked for them)
- After the match, ask the referee to take a photo of the match report before he gives it to the opponent (just to confirm scores)
